

GRIFOLS

In accordance with the provisions of article 227 of Law 6/2023 of 17 March on Securities Markets and Investment Services, Grifols, S.A. ("**Grifols**" or the "**Company**") hereby announces the following.

OTHER RELEVANT INFORMATION

Based on the misinterpretation generated after the publication of Grifols' response to the CNMV requirements, we would like to clarify that all of Grifols' liabilities have already been included and disclosed in the audited financial statements published on March 8th, 2024, and confirmed by the regulator. The EUR1.1bn is not a financial debt as it is related to the future rentals of the properties of more than 390 plasma donation centers worldwide and, therefore, does not represent any new debt.
